

2022-2023 CPE Schedule

Reviewing the evaluations from last year's courses, it was brought to my attention that a number of members would like a CPE in the lower valley and on days other than Friday. I toured the Harlingen Convention Center and learned it does have on site catering available and can accommodate us for CPEs so the October 28 CPE, An Auditor's Responsibility for Fraud..., will be held there. I also looked into several other suggestions. Many can host us for a CPE but do not have AV equipment or onsite catering.

PLEASE NOTE

- Printed course materials will no longer be provided. After you register, you will be sent a link to download the course materials.
- It is important that you register as soon as possible. If you register the day before, I may not get it and, therefore, cannot notify you that the course has been canceled or moved.
- CPE fees are on the website.
